

October is Influenza Season.

Are you ready?

Getting a flu shot
may seem scary, but
getting influenza is
even worse.

Call America's TPA at 952.896.4872 or
1.800.948.8824 with any questions and ask
for our Medical Management team.

Influenza
is an **illness**

that can cause

serious
complications.

Call

your
local

clinic

to see if you
or your

family

members
are a

good

candidate
to receive a

flu shot

and
schedule
an

appointment
today.
