

There's a different kind of stroke you need to be worried about.

Stroke is the nation's third leading cause of death.

Stroke Warning Signs - Call 911 immediately if you experience any of these signs

Sudden numbness or weakness of the face, arm or leg, especially on one side of the body

Sudden confusion, trouble speaking or understanding

Sudden trouble seeing in one or both eyes

Sudden trouble walking, dizziness, loss of balance or coordination

Sudden, severe headache with no known cause
